

HAVE YOUR SAY !!

Industry Information Workshop in Your Area!

On Monday evening at 6:30 pm at the Admiral Inn Hotel, join suppliers and your industry association in an exciting industry event.

Join 3M Canada and Treschak Enterprises for product demonstrations and supplies (and door prizes!), find out about grants and incentives, including the Small Business federal loan program and the \$10,000 Apprentice Training Tax Credit. Also covered that night- what's happening at Queen's Park on the collision industry file, the salvage inspection programs, the Vehicle Security Professional program and predictive estimating. Look for an update from the College of Trades on their activities since appearing at last year's workshop and their compliance work.

For the first time, shop managers and owners will be, during the workshop, receiving the mandatory Health and Safety Awareness training required in law from Workplace Safety & Prevention Services. All attendees will then receive a completion certificate valid with the Ministry of Labour to attest that training has been completed.

**Join us on Monday evening June 23rd at the Admiral Inn Hotel,
3500 Billings Court (QEW and Walkers Line), Burlington**
