I-CAR®, ASE, I-CAR EDUCATION FOUNDATION, AND NATEF TO HOLD DRAWING FOR A WELDER DONATED BY ELEKTRON INC. AT NACE 2009

HOFFMAN ESTATES, IL / LEESBURG, VA – October 16, 2009 – I-CAR, ASE, I-CAR Education Foundation, and NATEF will co-sponsor a drawing at NACE to win a Elektron Multispot MI-100 welder donated by Elektron Inc. Eligible contestants must be I-CAR trained as well as ASE-certified, or attend an ASE-certified NATEF career and technical school and college which also utilizes the I-CAR curriculum.

To participate in this promotion, eligible attendees can visit one of the participating organization's booths and fill out a registration form. The winner will be randomly selected at the conclusion of Saturday's NACE exposition day and notified via phone.

NACE attendees can find these industry partners at:

- ASE & NATEF – NACE booth # N8901 / #N8907
- I-CAR & I-CAR Education Foundation – NACE booth # N3277
- Celette/Elektron – NACE booth # N3753
