

APPRENTICES FOR HIRE

2011 Pre-apprenticeship Training for Auto Body and Collision Damage Repair Graduates

We are now accepting applications from Licensed Auto Body Collision shops that are willing to take on an apprentice. Below are some of the perks that are available to you:

- Help bringing in fresh new hands to the trade.
- Working with someone that **WANTS** to be in the trade and not looking at this as just another job.
- Hard working, dedicated and skilled applicants that will “get the job done”.
- Financial benefits that will help offset the cost of training. Please see chart below.

Number of weeks	Hours per Week	Subsidy Amount	Total Amount of Subsidy after 12 Weeks
12	35	\$4.00	\$1680.00

PLUS!!!! Once we have registered your student to become an apprentice, you will receive a \$1000 signing bonus!! So in total for 12 weeks, you will receive up to **\$2680**. We will be holding a one day career fair on **August 11, 2011**, from 1:00pm – 4:00pm for your opportunity to meet and interview the class and pick the best fit for your shop.

Register now as space is limited.

<i>Career Fair:</i>	August 11, 2011
<i>Time:</i>	1:00pm – 4:00pm
<i>Location:</i>	670 Progress Avenue, Units 14-16
