

This fall all roads will lead to...

CarFixWORLD

September 29-October 1, 2006 • Direct Energy Centre, Exhibition Place, Toronto

DON'T FORGET TO REGISTER for Canada's premier tradeshow and conference event dedicated to the automotive aftermarket and collision industry.

Packed bumper to bumper with everything from training seminars, workshops, presentations to unparalleled networking opportunities, cutting-edge technology solutions, celebrities and more, **CarFixWORLD** is one event you can't afford to miss. Register today and ...

...take advantage of NATA's Special Offer!

When you register today, you'll receive two Attendee Passes for the price of one, compliments of NATA. Pay only \$25, and you and a colleague can automatically...

...enter a chance to WIN:

TRIP for TWO to the 2006 CFL Grey Cup in Winnipeg, courtesy of Castrol
AUSEN Downdraft Spray Booth, compliments of RS Finishing Systems

Plus, take a look at the latest PROGRAM ADDITIONS:

WHMIS in the Automotive Industry

WHMIS (Workplace Hazardous Materials Information System) training is a legal requirement for anyone working with hazardous materials. Take part in this one-hour presentation and gain knowledge on the history of WHMIS, the regulations, how it applies to the automotive industry, why your employees should receive training, and how you can offer training to your staff easily and at a low-cost.

Don Hoddinott & Mylène Legresley – YOW Canada Inc.

The Changing Face of Collision Estimating – POWER PASS TRACK

Take a look at how the function of Estimating in bodyshop has evolved from a loosely controlled "guesstimate" into an exercise that demands superior knowledge, accuracy and judgement. Sign up for this in-dept three-hour course and receive a candid view of the estimator's role in adapting to this new environment in order to defend the "bottom line". This is a limited seating event, so register today for a small fee of \$59.95 per pass.

Jim Miles - Motive Power Mohawk College

And other dynamic SPEAKERS:

Dennis DesRosiers – DesRosiers Automotive Consultants Inc.

The Ten Significant Trends the Aftermarket Need to Respond To

Craig Van Batenburg – Automotive Career Development Center

Hybrid Technology & Service

Bob Greenwood – E.K. Williams & Company

The Incredible Unspoken Opportunity Around the Corner

Glenn McNally – Advanced Automotive Diagnostic Center

Training Series: Electronics/Diagnostics/Scanning Systems

This time limited offer expires soon. REGISTER TODAY!
