Canadian Collision Industry Congress
September 18 – 21, 2003
Toronto, Ontario

Introducing the Canadian Collision Industry Congress, expected to be the year's largest gathering of collision repair professionals. The goal of the Canadian Collision Industry Congress is to help you grow your business, while improving profitability in today's challenging business climate.

The Canadian Collision Industry Congress will feature the following elements:

- The I-CAR Canada General Session
- An industry-wide Information and Services Showcase
- A student Career Day (ideal for recruiting)
- Industry workshops (insurance, technology, workplace strategies, financial strategies and more)
- Industry Training Seminars (management, technical and human resources)
- An Industry Awards Night

Don’t miss out on this exciting opportunity to exchange information, share ideas and network with key industry stakeholders. With a host of interactive seminars, meetings and workshops, the Canadian Collision Industry Congress will be an invaluable showcase of innovation and expertise.

THIS WILL BE THE “MUST ATTEND” EVENT OF THE YEAR!

FOR SPONSORSHIP AND SHOWCASE OPPORTUNITIES, PLEASE CONTACT A MEMBER OF THE STEERING COMMITTEE.
